## Audubon of Martin County Connecting the Environment and Community

AOMC provides a wide variety of programs and events specifically designed to connect the environment and community in our area.

**For Our Children:** AOMC provides educational programs that engage our local youth, with our bird art and essay contest engaging over 600 of our local school age children.

**For Our Community:** AOMC maintains one of our country's most unique urban forests at the Possum Long Nature Center, and provides community access to conservation areas such as the Lakeside Ranch STA.
