

Audubon of Martin County Environmental Partner Membership

Memberships designed to promote year round commitment to the organization by recognizing those general members that enhance the programs and events of Audubon of Martin County .

Member Benefits	\$75
Includes use of Audubon of Martin County's logo, a subscription to our email newsletter, and your company's name listed as a contributor in our annual member recognition newsletter.	✓

This special category of membership is for those businesses that are tied to environmental or ecological activities. Examples are tour boat companies, guide companies, or similar.

Audubon of Martin County Connecting the Environment and Community

AOMC provides a wide variety of programs and events specifically designed to connect the environment and community in our area.

For Our Children: AOMC provides educational programs that engage our local youth, with our bird art and essay contest engaging over 600 of our local school age children.

For Our Community: AOMC maintains one of our country's most unique urban forests at the Possum Long Nature Center, and provides community access to conservation areas such as the Lakeside Ranch STA.
